

## **MEDIA ADVISORY**

### **Saskatchewan Polytechnic Update**

**November 3, 2020** – Saskatchewan Polytechnic is working closely with third party suppliers who host our online learning platforms and services. We are taking the necessary time to safely and securely restore access to online learning environments. An update on return to class protocol will be provided Wednesday November 4.

Sask Polytech continues to work with external cybersecurity experts and law enforcement. Work continues to minimize the impact from the security incident and remediation actions are underway. There is no reason to believe any personal information has been compromised at this point.

Sask Polytech remains committed to timely and transparent communication with students, employees and stakeholders. Additional information is being shared at [campusupdate.ca](http://campusupdate.ca). This is the best source of information on the current status. No media interviews will be provided today.

Saskatchewan Polytechnic serves students through applied learning opportunities at campuses in Moose Jaw, Prince Albert, Regina and Saskatoon, and extensive distance education opportunities. Programs serve every economic and public service sector. As a polytechnic, the organization provides the depth of learning appropriate to employer and student needs, including certificate, diploma and degree programs, and apprenticeship training. Saskatchewan Polytechnic engages in applied research, drawing on faculty expertise to support innovation by employers, and providing students the opportunity to develop critical thinking skills.
